MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Daniel B. Silver
General Counsel

SUBJECT: Executive Order 12036 Revisions

1. Attached is a memorandum from [redacted] of my Office describing the proposed CIA position on changes to the non-restrictions portions of Executive Order 12036.

2. In view of the postponement of the NFIC meeting until Mr. Casey's return, we have suggested to Walter Elder that he invite the members of the Council, as well as the Intelligence Community Staff, to send no more than two representatives from each agency to an ad hoc Working Group which will meet in the interim and try to narrow down and focus the issues. The suggested limitation simply is to keep the size of the group from becoming unmanageable.

3. I, together with [redacted] who handles Intelligence Community matters in this Office, will act as the chair and the secretariat for this enterprise, playing a neutral role. Someone else, therefore, should represent the CIA agency position. I would recommend that [redacted] be one of the two CIA representatives. I recommend that you confirm [redacted] designation and that you designate another Agency official, so that the two of them can represent the CIA.
